

HALL'S CROSS ROADS SPA SNAPSHOT

MISSION & VISION

Our **mission** at Hall's Cross Roads Elementary School is to provide all students with tools and strategies to reach their potential as college and career ready citizens upon graduating from high school.

Our **vision** is to work collaboratively with all Hall's Cross Roads' staff and community members to improve student achievement by:

- Ensuring a safe, orderly, and caring learning environment by applying positive behavior supports
- Keeping the focus on teaching and learning to prepare all students for success in our ever-changing 21st century world
- Communicating effectively with all stakeholders in a timely manner

ATTENDANCE

Our eagles need to be in school to be successful! We aim to have all students attending 95% or more of the 180 required school days

Ways we work to make this happen:

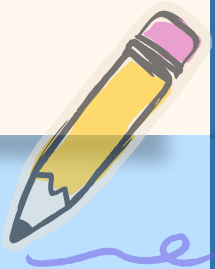

- Full-time PPW
- Walking Club
- Consistent and ongoing communication with families about student absences

WE ARE BUILDING STRONG READERS BY

- Small group reading instruction
- Teachers work with reading specialists to plan for reading instruction
- Matching the right reading leveled book to each student and options for readers choice in books.
